With a background in 2D animation and a passion for food, I'm a creative individual who is highly committed with a strong eye for detail. I thrive in environments that push these skills and can transfer them into everything I do. I have a positive approach to work, trying to improve with each day and always doing things to the best of my ability.

## EXPERIENCE

### esports Commentator (July 2018-Present)

I am a freelance commentator, mainly working alongside Nintendo to provide exciting coverage of tournaments that they host. This has improved my skills in public speaking as well as being able to come up with ideas on the sport and connect with a wide variety of people.

### Muffin Break (APRIL-AUG 2017)

Waitress

### BFI Animation Camp (FEB 2017)

Produced the short stop motion animation 'Rest in Pizza'

### TEAPOTS AND WOTNOTS (MAY 2015 – SEPT2015)

Co-manager and Waitress

### DOJIT 2D Artworker mobile game (OCT 2012 – APRIL 2013)

Created the artwork for 2 worlds Land of Chocolate | Easter Egg Hunt

I was responsible for creating the artwork for the game 'Homebear', designing and creating the assets for the 'Land of Chocolate' and 'Easter Egg Hunt'. Dojit has provided me with first-hand experience within a corporate environment, showing the amount of teamwork involved, taking in constructive criticism and working to deadlines.
